

GARDEN PERENNIALS

Hosta 'Blueberry Muffin'

Blue leaves that turn green later in the season. Lavender flowers in early summer. Considered a "Premium" hosta.

To be considered a premium hosta, plants must perform superbly in all four zones (4-7). They must also exhibit exemplary garden presence and performance, have a long season of appeal in the landscape, have leaves of good substance, and demonstrate a greater resistance to common garden pests.

14 inch height with a 36 inch spread. Plant in full shade or part shade. Average water and soil quality.
